MACSEIS
SIMPLY TECHWISE

MACSEIS FUNCTIONAL CORPORATE & WORK TEAM WEAR COLLECTION

MACSEIS Product Collection is tailored to fully uniform-equip both Corporate and Specialized companies from administration to manufacturing, as well as for end users that demands high functional comfort and superbly crafted ergonomic relief while professionally active.

Our Products are included waterproof Functions well balanced with high breathable levels - composed to offer highest in Comfort. Our fabrics close to skin are composed to absorb excess liquid fast. Our quick POWERDRY keeps you in a fast-drying mode. All our Functions are actively real.

3D articulated body shapes and high stretch levels are ensuring you a very high level of ergonomic relief and mobility.

MACSEIS excites with styles that are sporty, trendy and environmental recycle sustainable. All Products are OEKOTEX100.

Choose the new generation in Corporate & Work Wear and blend an exceptional toned uniform or team wear that is to what you think looks the business and matches your company CI. You can Mix&Match across the full MACSEIS Collection.

"You feel free and have high level of ergonomic mobility when wearing MACSEIS Products."

Sebastian Asch, *Race Driver & MACSEIS Brand Ambassador*

POWERDRY®

This MACSEIS POWERDRY long lasting physical quick dry fabric absorbs perspiration instantly and dries quickly while creating high level of comfort while performing actively.

PROTECH™

MACSEIS incorporate Functional PROTECH TPU-Films in its 3-Layer bonded fabrics to balance waterproof and breathable levels to your exact protection and superb comfort.

Dintex®

This MACSEIS EN343 Functional Hi-Tech Fabric is engineered using DINTEX Technical Membrane in either a 2- or 3-Layer fabric composition to achieve high levels of both waterproof protection and breathable comfort.

3D ERGONOMIC® STRETCH

Several MACSEIS and all MACSEIS WorkWear Products are made in 4WAYSTRETCH, offering a high level of Ergonomic Mobility. We tailor in articulated 3D body shapes to enhance the stretch level to its maximum.

MULTISTRETCH

MACSEIS knitted fabrics are crafted and developed in a MULTISTRETCH Knit to achieve stretch levels for your ergonomic mobility while wearing and active.

CONFIDENCE IN TEXTILES
Tested for harmful substances

MACSEIS Products are all Functional and Ergonomic. We include a long list of technical components and functions to enhance your wellbeing while active also going forward. To preserve our world of technologies in your MACSEIS Product we exclusively tailor to wash by max40° and hang to dry – do not tumble dry. This environmental progressive initiative does not stop you from keeping your MACSEIS Product clean. Modern wash detergents are effectively manufactured to clean at much lower water temperatures. MACSEIS recommends using Wash Gels.

MAX 40° HANG TO DRY

MACSEIS Products are all Functional and Ergonomic. We include a long list of technical components and functions to enhance your wellbeing while active also going forward. To preserve our world of technologies in your MACSEIS Product we exclusively tailor to wash by max40° and hang to dry – do not tumble dry! This environmental progressive initiative does not stop you from keeping your MACSEIS Product clean. Modern wash detergents are effectively manufactured to clean at much lower water degrees. MACSEIS recommend using Wash Gels.

BSCI

All MACSEIS Products are manufactured in Business Social Compliance Initiative (BSCI) Audited factories. BSCI is a supply chain management system that supports companies to drive social compliance and improvements within its manufacturing and supply chain.

Super light and contemporary trendsetting the CHAMP is a slick ambassador for your Corporate Identity.

A sporty high quality jacket that makes you stand out.

LOOK COOL

MACSEIS
FUNCTIONAL WORKWEAR

MACSEIS FUNCTIONAL WORKWEAR

MACSEIS is the new generation in Corporate & WorkWear. We include exciting functional technologies in our impeccable quality Products. Our Product Concept is tailored to achieve five main key-stones; – Health – Comfort – Ergonomic Mobility – Environmental Sustainability and a great CI-Image in your Work TeamWear.

Our 3-layer fabric concept includes different technical Products you can mix to achieve highest level in functional comfort. With our POWERDRY function we keep you in a constant drying-mode at your skin while you are actively sweating. With high levels of breathability and waterproof levels we keep you comfortable and protected in both our Tops and Jackets. We incorporate 4WAYSTRETCH in any possible Product for you to have no restraint on your bone-links while performing. Our Products are max40° washable and hang to dry only. With MACSEIS Collection you can MIX&MATCH your modern uniform for yourself or matching your company CI.

MACSEIS Functional WorkWear is designed in a sporty trendy fit, supporting your performance while professional active at work. Our Styles are designed in 3D-Ergonomic articulated body shapes to reach maximum stretch levels while wearing.

MACSEIS styles are all environmentally sustainable and made using OEKOTEX100 high quality components, detailing and fabrics.

LOOK THE BUSINESS

CE

MACSEIS Functional WorkWear & Protective Products such as Reinforced Work Pants Hivis and Work Shoes are all CE Certified. The Certifications are done by SGS a worldwide-acknowledged Test Institute, and our CE Certified Products undergoes an extreme-test-program to ensure that our Design, Component-Technologies, development, quality, protection and manufacturing of our Protective Products are impeccable and to the best in standards.

EN14404

MACSEIS Kneepad protection is only guaranteed in connection with the use of both the MACSEIS Kneepad and the CORDURA or X-TREME Fabric reinforced Kneepad pockets on MACSEIS Work Pants. MACSEIS Sporty Kneepad originates from Motorcycle Protection wear and is a common highly protective Protection Pad designed here from. It is impact absorbent and offers penetration protection.

3D ERGONOMIC® STRETCH HITECH FABRIC

Several MACSEIS and all MACSEIS WorkWear Products are made in 4WAYSTRETCH, offering a high level of Ergonomic Mobility. We tailor in articulated 3D body shapes to enhance the stretch level to its maximum.

EN340

All MACSEIS Products are crafted using only OEKOTEX100 Certified components and fabrics and we Design to achieve a maximum in Ergonomic Comfort. It is our core aim to keep you healthy and comfortable while wearing MACSEIS Products.

MAX 40° HANG TO DRY

MACSEIS Products are all Functional and Ergonomic. We include a long list of technical components and functions to enhance your wellbeing while active also going forward. To preserve our world of technologies in your MACSEIS Product we exclusively tailor to wash by max40° and hang to dry – do not tumble dry! This environmental progressive initiative does not stop you from keeping your MACSEIS Product clean. Modern wash detergents are effectively manufactured to clean at much lower water degrees. MACSEIS recommend using Wash Gels.

CORDURA® X-TREME500® FABRIC

MACSEIS Functional WorkWear is reinforced on several sections by the use of CORDURA and or X-TREME Protective Fabrics. Both Brands air acknowledged within both hardwearing work wear and military protective supplies. MACSEIS is using a soft coated CORDURA and X-TREME that are dyed to MACSEIS color-scheme.

EN ISO 6330

MACSEIS Functional WorkWear Products are washable by 40 degrees Celsius and are in accordance to EN ISO 6330 on washes and drying. Be aware that your wash machine and the wash liquid you are using may have an impact on the procedures of washing MACSEIS TECHWISE & Functional Work Wear Products and its softness after wash. Do not was over 40 degrees as hot water may have an impact on the HIGH TECH Functions included and the Spandex STRETCH incorporated in the Fabrics.

EN343

MACSEIS Hi-Tech Jackets are all in accordance with EN343 Standard on Waterproof and Breathability.
